

**Summary of Partnership
July 1, 2006 – June 30, 2007
Wilkes County Health Department**

HEALTH CAREERS, DIVERSITY & RECRUITMENT

Northwest AHEC (NW AHEC) offers health careers awareness programs (30-45 minutes per program) in schools for grades K-8 and structured programs for grades 9-12 (20 hours or more).

Grades K-8 - A total of **915** local students and staff from Wilkes County participated in **10** health careers' presentations as follows:

Date	School	Presentation*	Number of Students
8/25/06	Central Wilkes Middle	Cool People, Cool Careers	300
9/8/06	Ronda-Clingman Elementary	Puppet Bunch; CATCH	130
10/2/06	C. B. Eller Elementary	Puppet Bunch; CATCH	160
10/18/06	Boomer-Ferguson Elementary	Puppet Bunch; CATCH	80
11/17/06	Millers Creek Elementary	CATCH	135
4/3/07	Mt. Pleasant Elementary	Puppet Bunch; CATCH	110

* Puppet Bunch is designed for grades K-2, CATCH for grades 3-5, and Cool People, Cool Careers for grades 6-8.

Grades 9-12— Wilkes County participated in the Summer Camp Med Program which was a partnership between the Wilkes County Schools and Wilkes Regional Medical Center (WRMC). Each partnership is offered \$1,500 in support of the program which usually consists of a collaborative effort between the local hospital and the local school system to organize a one week, day camp for high school students to explore a variety of health careers. A total of **21** students participated in a total of **20 hours** of health careers exploration in Camp Med Wilkes County. NW AHEC will make this offer again in November 2007 for a summer 2008 program.

There were no student representatives from Wilkes County during the NC AHEC annual "Future Leaders in Healthcare Conference" which was held during the fiscal year. This educational conference provides high school students from across the state, who are interested in health careers, an opportunity to learn more about health occupations while also learning more about the post-secondary programs oriented toward careers in health. There were no student representatives from Wilkes County who participated in the summer 2006 NW AHEC Project SEARCH Academy (Student Education, Awareness and Recruitment for Careers in Health)-- a one week, residential summer camp on the campus of Wake Forest University during which rising eighth grade students are exposed to a variety of health science presentations and observation tours. However, students from Wilkes County have participated in both programs in the past and are expected to do so in the future. Information about other NW AHEC youth programs can be found by going to our website: northwestahec.org or by contacting Mr. Bernard Roper at (336) 713-7714.

HEALTH SCIENCES STUDENT SUPPORT

Medical/Physician Assistant Students— Many medical and physician assistant students rotate with local physicians in Wilkes County who bring students with them to see patients in their hospital. Overnight student accommodations are available if needed for all students. The NW AHEC Office of Regional Primary Care Education (ORPCE) provides administrative and financial support for these preceptors and students with their rotations in community settings. A total of **19 students** rotated in Wilkes County for a total of **64 student weeks** for this fiscal year. Some communities have begun to use these student rotation opportunities to develop a community relationship with these students and begin to recruit their interest of potential placement when they have completed their formal health careers degrees. Interested physicians should contact Ms. Angela Hodges at (336) 713-7717.

CONTINUING EDUCATION ACTIVITIES & SERVICES

Northwest AHEC CE activities are marketed to healthcare professionals of Wilkes County Health Department. During FY07, **14** unique WCHD healthcare professionals registered **20** times in Northwest AHEC continuing education activities. Listed below is a summary of Grand Rounds activity, accredited by the Office of Continuing Medical Education of Wake Forest University School of Medicine and conducted at Wilkes Regional Medical Center (WRMC). More information about CE activities can be found on our website: northwestahec.org or by contacting Ms. Marie Simos at (336) 713-7721.

Time of Year	Activity Name	Number of Activities	Number of Participants
Fall 2006	Grand Rounds	4	29
Spring 2007	Grand Rounds	3	22

Nursing Management Institute— The Nursing Management Institute (NMI), an online management curriculum for new or aspiring nurse managers, created and offered by Northwest AHEC in partnership with Greensboro AHEC, reported no enrollments from WRMC. NMI is just one of several online courses available. More information can be found at the Northwest AHEC website: northwestahec.org or by contacting Ms. Ellen Kesler at (704) 210-5068.

Community Health Partnerships— Northwest AHEC provides technical assistance, consultation, and training to health coalitions in the region to support their efforts for local health improvement. Many of the current coalitions which Northwest AHEC supports are members of North Carolina's Healthy Carolinians Program. NW AHEC co-sponsors, with the Northwest Office of Healthy Carolinians Consultant, quarterly meetings of the Coalition Coordinators' Network (CCN). Topics this past fiscal year were: *Charting a New Course for Chronic Illness Care in Your Community*, *African-American Churches Eating Smart and Moving More*, and *Health Literacy*. For more information about this service, go to our website: northwestahec.org or contact Ellen Kesler at (704) 210-5068.

RN Refresher Program— Northwest AHEC also offers the RN Refresher Program to nurses who want to reinstate their license or update their skills. The curriculum consists of didactic learning and a clinical practicum. Students engage in their clinical practicum at a variety of hospitals in the Northwest AHEC region with which we have contracts. There are no contracts in place in Wilkes County; therefore no students were enrolled. Most institutions providing the clinical rotations for these students use the opportunity to recruit them for employment once students have successfully completed the program and have earned their RN credentials. If interested, health care organizations should contact Ms. Kay Herr at (336) 713-7720 to learn more about potential opportunities.

INFORMATION & LIBRARY SERVICES

WRMC has been a member of NW AHEC Information and Library Services for many years. Below is WRMC's library services usage:

	7/1/03-6/30/04	7/1/04-6/30/05	7/1/05-6/30/06	7/1/06-6/30/07
Document Delivery Request ¹	44	72	69	68
ADL ² Registered Users	34	98	105	33
ADL Users who logged into the ADL	8	28	16	23
Total Number of ADL logins	229	666	241	209
Number of Site Visits ³	21	11	8	5
Number of Search Requests	11	10	16	1
Number of Consults ⁴	9	5	43	25

1--Materials checked out from library collection; items from library collection which have been used and reshelved; photocopies made by library staff from library collection; and documents borrowed from a library outside of the Northwest AHEC Library system.

2 -- AHEC Digital Library

3 -- Site visits are meetings with Northwest AHEC institutional members for education, administration, promotion or consult purposes which are located away from WFUSM, Catawba Valley Medical Center, Rowan Regional Medical Center, and Watauga Medical Center.

4 -- Consults include telephone, email or in person; includes number of consultations to preceptor sites; categories of assistance can range from various types of technology assists to accreditation preparation, collection development, and training library contacts.

More information about these services can be found at the Northwest AHEC website: northwestahec.org or by contacting Ms. Nancy Stine at (704) 210-5587.

COMMUNITY- SUPPORTED ACTIVITIES

Quality Improvement Initiative— Northwest AHEC has been actively involved in a major quality improvement initiative over the past year, the North Carolina Rapid Response Team Learning Collaborative. Rapid Response teams are one of the original six interventions of the Institute for Healthcare Improvement's *100,000 Lives Campaign*. The NC RRT Learning Collaborative was one of nine RRT grantees nationwide that were funded by the Robert Wood Johnson Foundation. Partners included the North Carolina Hospital Association, the other NC regional AHECs, the Carolinas Center for Medical Excellence, VHA, and Premier. The goal of the collaborative was to develop, implement, and sustain rapid response teams in 50 North Carolina hospitals. Fifty-five hospitals across the state participated in the collaborative including 13 in the Northwest AHEC region. Northwest AHEC staff provided leadership for and support to the Western cohort of the collaborative. The support was provided through face-to-face meetings, conference calls, technical assistance, links to resources, and encouragement.
